

Max Cleanse & Lean

Get Lean and Hard!†

Lose Weight & Cleanse Your Body!

The research team at Max Muscle has come up with a product that not only improves your health, but also helps you lose excess weight fast! We call it **Max Cleanse & Lean™ (MCL)**. **MCL** offers you a solution to your digestive issues as well as a way to remove excess water and waste from your body. You workout hard to build your body and you want to be able to see the results every day, that's what **MCL** can do. Often stress, poor diet, and every day issues affect our body's ability to deal with excess fluid and waste causing numerous problems. **MCL** addresses the issue of excess water that many of us hold just under our skin, in our hands, abs, legs, and feet. Most people call it bloating and it is caused by excess fluid in the body. **MCL** helps you naturally release this excess fluid and flush it from your system helping you drop weight and lean up. **MCL** also helps promote regularity. It's a touchy subject, but regularity is a good thing when it comes to your intestinal tract. If you're backed up then **MCL** will help you get back on track and in the process free up your body to take in more nutrients, grow more muscle, and lose more weight.†

Patent Pending Formula!

MCL was formulated with the highest quality ingredients to help you lean out, harden up and look better than ever. The patent pending formula in **MCL** is designed to help you lose weight fast while cleansing your system of impurities for better health. **MCL** contains Cascara, Senna, Fennel, Psyllium, Slippery Elm, Turkey Rhubarb, and Aloe Vera to help maintain a healthy digestive tract. Research on Senna, Psyllium, and Aloe Vera indicate they are useful in promoting intestinal health and regularity. Researchers have looked at Dandelion, Horsetail, and Barberry for their ability to help remove excess water and promote a healthy urinary tract. Together our revolutionary patent pending blend of natural herbs, plant extracts, vitamins, and minerals is gentle but extremely effective. You'll see **RESULTS IN LESS THAN 48 HOURS, GUARANTEED!†**
